POA Membership Present: Liz and Andrew Engelke

Chair reported many questions in regard to the ESD9 petition passing and impacts on HGE.

CTRMA's provision of a neighborhood wall, proximity to property owners and the logo and color were also of interest in emails for the month.

SB 1588 and it's impact on HGE current process were discussed. 1. The 144 hour notice prior to board meetings, and 2. The requirement that board members could not serve on an ACC board, nor their spouse, or anyone living under the same roof. The Chair feels that with the documents to date, and the finding of volunteers to serve on the board it could be done without to many legal documents being amended, or revised. The process of a rejected ACC request has a new twist, in timing, documents, notifications and board review. At the present, there are 3 volunteers from the membership to serve; Liz Engelke being the first and present at the meeting

Call to Order: Meeting was called to order at 8:07 there being a quorum present.

BOD Members Present: Virginia Partain (Sec.), Darla Engh (Resale Certificates), Chris Fields, Helen Trahan, Treasurer, Bobbi Marquardt (Info Processing), Danny Roberts
